

# Frontend Developer Test

A mockup of a "Create an Account" form centered on a blue background with abstract white shapes. The form is a white rounded rectangle with the title "Create an Account" and subtitle "Create a account to continue". It contains input fields for "Email address" (with the placeholder "esteban\_schiller@gmail.com"), "Username", and "Password" (with a "Forget Password?" link). There is a checkbox for "I accept terms and conditions" and a blue "Sign Up" button. At the bottom, it says "Already have an account? [Login](#)".

## Task:

Create a Sign-up/Log-in.

## Requirements:

- The component should be functional. No backend connection required.
- No framework (i.e. react).
- Share a link to GitHub or Zip it to the team.

## Important notes:

- The mockup design is just a starting point.
- You can do it as simple or complex you like.
- Take this opportunity to show off your different skills, experience and personality.

## We will be reviewing:

- Code
- UX/UI
- Creativity

## Deadline:

Sunday 11:59pm UK time
